Guest: Tom Ebeling

Next meeting: April 8, 2014, 11:10 - 12, 409 Hulbert Hall

Approval of Minutes
Approval of minutes from the February Meeting were tabled until the April meeting.

Discussion
There was discussion regarding hazard communications and the Global Harmonization System. We can expect to see changes in MSDS formats and changes in product labeling.

Tom Ebeling gave us an overview on the development of training he will be able to offer. It was decided to go forward with a college-wide training session. Sheila will check to see what dates and times FSHN T101 will be available. She will get back to us and let us know once these details are known.
